

Primary schools

 Success for All has strong evidence of effectiveness in primary schools. According to the Comprehensive School Reform Quality Center (CSRQ)*, the average effect size was +0.32 across 23 qualifying studies.

Beginning reading

Top-rated programmes

 **Strong Evidence of Effectiveness**

Available in the UK

Success for All			
Provides schools with a reading curriculum for pupils aged 5-11 that focuses on phonemic awareness, phonics, comprehension, and vocabulary development, beginning with phonetically-controlled mini-books from the age of 5-7. Co-operative learning is extensively used with all ages. Tutoring is provided to struggling readers, and parent involvement is encouraged.			
Type	Curr + IP	Available in UK	Yes
